Annual Escrow Account Disclosure Statement - Projections for Coming Year

The following is an overview of your escrow account with Home Point Financial Corporation. It contains a snapshot of the anticipated disbursements for the coming year and the history of escrow payments made on your behalf in the prior year. Any potential adjustments due to increases or decreases with your escrowed items may affect your monthly escrow payment. If your escrow payment increases, your monthly mortgage payment will also increase. If the escrow payment decreases, your mortgage payment will decrease.

Upcoming Total Annual Bills	\$2,220.54
Required Cushion	\$370.09
Required Starting Balance	\$1,469.28
Over/Short Spread	\$0.00

Cushion Calculation: Because Home Point Financial does not set your tax amounts or insurance premiums, your escrow balance contains a cushion of \$370.09. A cushion is an additional amount of funds held in your escrow in order to prevent the balance from becoming overdrawn when an increase in the disbursement amount occurs. Based upon federal or state regulations, if your escrow account is required to maintain a cushion, the minimum balance should not be below 1/6th or 1/12th of the anticipated payments from the account. If your escrow account is not required to maintain a cushion, a minimum balance is not required.

These are the escrow items we anticipate we will collect for or pay on your behalf in the upcoming 12 month period. The dollar amount shown may be the last amount actually paid for that item, or may project the next amount due.

(Please keep this statement for comparison with the actual activity in your account at the end of the escrow accounting computation year.)

Your ending balance from the last month of the account history (escrow balance anticipated) is \$1,342.24. Your starting balance (escrow balance required) according to this analysis should be \$1,469.28. Please note that your remaining escrow shortage balance included in the Proof of Claim at bankruptcy filing is \$853.63. This post-petition analysis shows a surplus of \$726.59. If your surplus is less than \$50.00 or you have a pre-petition escrow shortage, your surplus will not be returned to you as we have the additional option of keeping it and adjusting your monthly payments accordingly.

We anticipate the total of your coming year bills to be \$2,220.54. We divide that amount by the number of payments expected during the coming year to obtain your escrow payment.
